

MUNSOFT ICT FORUM

03 July 2018

Who should attend?

The Office of Information Communication and Technology

Munsoft Municipal Client(s)

Chief Financial Officer

Head of ICT

Municipal Manager

Dear Sir/Madam,

Invitation: Munsoft ICT Forum for Local Government

Munsoft hereby cordially invites you to attend the Munsoft ICT Forum exclusively for Local Government to be held from 19th – 22nd July 2018 at The Venue Country Hotel in Broederstroom.

The past year the prime focus was mainly around the ICT enablement of mSCOA. Although this remains an ongoing focus, the Munsoft ICT Forum will place emphasis on Munsoft and the integration of ICT in Local Government.

Limited seats are available and will be reserved on a first come first serve basis. If you want to attend the ICT Forum, please email the delegates' full name, email address, cell phone number, shirt size and special dietary requirements to sales@munsoft.co.za. Your booking will only be confirmed once an order and/or payment is received. Your response is highly anticipated on or before the 12th of July 2018.

Munsoft is partially funding the event to reduce the cost per delegate to R 9,500.00 excluding VAT. Cost includes all meals, accommodation and conference fees for the entire duration of the ICT Forum. Transport to and from The Venue is excluded.

Please contact Mr N Rerani for further enquiries.

Yours sincerely,

Ndiafhi Rerani
Business Development Director
